Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Friday 01 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early rain then sunny spells and a few showers.

Today:
A rather cloudy start with outbreaks of rain clearing northeast through the morning with sunny spells and a few blustery showers following, the showers mainly in the west. Fresh southwesterly winds. Maximum temperature 14 deg C (57 deg F).

Tonight:
A few blustery showers continue, mainly across western parts, but most places dry with long clear spells. Chilly in rural parts despite the southerly breeze. Minimum temperature 4 deg C (39 deg F).

Saturday:
A mainly dry and bright start but cloud and outbreaks of rain spread north towards midday, the rain heaviest, most persistent across southern and eastern Aberdeenshire. Occasionally strong southerly winds. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Potentially wet and very windy start in north Sunday then sunny or clear spells with isolated showers through the rest of Sunday and Monday. Lighter winds with occasional showers Tuesday.
